

Krezip, In Her Sun

Once more you are hiding behind clothes
'cause it's all that you have got all that you can see
You talk about other people's shit so you won't see your own
Get your luck for free

You're stupid and I could cry for you
Pathetic a boring little thing
But worse, hey, I'd really like to say
That you're standing in her sun
That you're standing in her sun

Why not why don't you want to talk
With her or want to see because she won't fit in
You think that you're all that tough but I don't believe
You're really all that much, yeah

You're stupid and I could cry for you
Pathetic a boring little thing
But worse, hey, I'd really like to say
That you're standing in her sun
That you're standing in her sun

You think you're a God and that's all you want to know
Being beautiful and smart 'cause that's the way to go
You cry 'cause you're alone no one will ever see
I)
You think you're number one believe me you are not
No you're not

You're stupid and I could cry for you
Pathetic a boring little thing
But worse, hey, I'd really like to say
That you're standing in her sun
That you're standing in her sun

But now I know you'll never see
And never understand 'cause that's your little world
Born like, and grow up like it too 'cause that's the way it goes
And I don't give a damn

You're stupid and I could cry for you
Pathetic a boring little thing
But worse, hey, I'd really like to say
That you're standing in her sun
That you're standing in her sun
That you're standing in her sun
