

Kris Ros, Our Time

Love Work Rest Repeat
Every Day Is The Same
But I Know Now Better Days Will Come
The Days, When The Sunrise Gets You High
Two Lovers Living In July

This is Our Time Baby, Take Me Home
This is Our Time, Baby Save My Soul
Come On, Hold Me Close, Don't Let Me Go
I Promise That I Will Never Let You Go

Close Your Eyes, Clean Your Mind
Leave All Your Problems Behind
This Is Our Freedom
The Freedom, You've Been Searching For
Feel The Fire In Your Heart,
Shooting Stars Are Above,
This Is Our Time
Our Time Has Begun
This Is Our Time,
Our Time Has Begun,
This Is Our Time,
Our Time Has Begun,

Ooooh
Our Time Has Begun
Ooooh
Our Time
Our Time Has Begun
Oooh
Our Time
Our Time has Begun
Love Work Rest Repeat Everyday Is The Same
Love Break Recover Repeat Every Story Is The Same

When You Look At The Sun,
Baby, I Know, You're The One,
I Can Feel It In The Air,
I Can Feel It In My Chest

Close Your Eyes, Clean Your Mind
Leave All Your Problems Behind
This Is Our Freedom
The Freedom, You've Been Searching For
Feel The Fire In Your Heart,
Shooting Stars Are Above,
This Is Our Time
Our Time Has Begun
This Is Our Time,
Our Time Has Begun,
This Is Our Time,
Our Time Has Begun,

Ooooh
Our Time Has Begun
Ooooh
Our Time
Our Time Has Begun
Oooh
Our Time
Our Time has Begun
Love Work Rest Repeat Everyday Is The Same
