

# Krist van D, Because I Love You

I got your letter  
From the postman just the other day  
So I decided to write you this song  
Just to let you know  
Exactly the way I feel  
To let you know my loves for real  
Because I love you  
And Ill do anything  
Ill give you my heart, my everything  
Because I love you  
Ill be right by your side  
To be your light, to be your guide  
If you should feel  
That I dont really care  
And that youre starting to lose ground  
Just let me reassure you  
Tah tyou can count on me  
And that Ill always be around  
Because I love you  
My hearts an open door  
Girl, wont you please come on in  
Because I love you  
Ill be right by your side  
To be your light, to be your guide  
Because I love you  
Ill be right by your side  
To be your light, to be your guide
