## Krist van D, Not The One

You're so beautiful You're the one, you're the one I've been waiting for I'm so glad I found you

You're so beautiful You're the one, you're the one I've been waiting for So glad I found you

You're the one You're the one You're so beautiful

Like the wave crashing on a beach Like the sweet flowing melody Like the sun before it starts to set You're so beautiful

Like the cool wind against my face Like the pleasure of a warm embrace When you kiss me, I just can't forget You're so beautiful

You're so beautiful You're the one, you're the one I've been waiting for I'm so glad I found you

You're so beautiful You're the one, you're the one I've been waiting for So glad I found you

You're the one You're the one You're so beautiful
