

# Kristine W., If Only You Knew

It's so undeniable  
And baby I've been tryin' to find the words to say  
Just how much you mean to me  
Why does it always seem to be  
The moment slips away

Every time you're standing close  
I wanna tell you you're the one that  
I love and need the most  
And if you'd just hold me  
I'd never be lonely again

You're my every wish  
My dream come true  
My everything  
If only you knew

I just can't help my heart  
You're that someone who  
Turns my world around  
If you only knew

Just when I build my confidence  
You look at me it's so intense  
It takes my breath away

My heart beats fast I feel so weak  
That baby I can hardly speak  
What am I so afraid of

'Cause every time that you're next to me  
There's no doubt in my mind  
That you're right where you should be  
And if you'd just hold me  
I'd never be lonely again

You're my every wish  
My dream come true  
My everything  
If only you knew

I just can't help my heart  
You're that someone who  
Turns my world around  
If you only knew

If only you knew how I feel for you  
When you walk into the room  
If only you'd see  
My whole world would change  
'Cause I just know that you'd feel the same
