

# KRS-One, Halftime

Right now as we rockin they shootin outside  
Now we have got to chill  
We have got to chill  
We can't have no gunfire because hip-hop can't build

Let's leave all the shootin and the violence outside  
I know there's some people in here, armed to the teeth  
But understand...  
It is the conciousness behind the gun  
that determines if the gun is positive or negative  
So let's not blame it on no pistols, no guns, no gats  
Let's blame it on the conciousness of the mind holding the gat
