

Krzysztof Krecft, Hide and Seek

1. I don't know what to do with the love that I carry inside
I would like to let it come out or give it to someone

But nobody wants to take it
It's hard to take the next steps if I'm out of balance
But i'm breathing in and i'm breathing out
Because I feel like I'm falling again

Ref: What if I lose you again
It's hard to take the next steps
What if i'm falling again
When I don't know where to go
I try to hide, i play hide and seek
But nobody want to give it to me
What i need, what i want
Please help me to be strong

2. I don't know what to do when I'm alone
In the middle of the night like this
I would like to have someone next to me
Who could become my wall

I want to smile and I want to live finally
But I don't know how it is
I want to go and I want to be free
Let me make my own mistakes

Ref: What if I lose you again
It's hard to take the next steps
What if i'm falling again
When I don't know where to go
I try to hide, i play hide and seek
But nobody want to give it to me
What i need, what i want
Please help me to be strong

Bridge: We are standing on a bridge
When the wind is breathless
And what if I want to sink
Want to sing with you?

But i'm breathing in and i'm breathing out
Let me drown
But i'm breathing in and i'm breathing out

Ref: What if I lose you again
It's hard to take the next steps
What if i'm falling again
When I don't know where to go
I try to hide, i play hide and seek
But nobody want to give it to me
What i need, what i want
Please help me to be strong
