

Kula Shaker, Diktator Of The Free World

So I'm and A1 major league sociopath
My daddy's in oil and my life is a gas
It's good to be king
Let the choir sing out, sing out, sing!
I cut my foes and my enemies down
I blew up their homes and their towns
No-one is as powerful as me
Inferring popularity

I'm a dik, I'm a dik I'm a diktator
I'm a dik, I'm a dik I'm a diktator
I'm a dik, I'm a dik I'm a diktator of the free world
Diktator of the free world
Diktator of the free world
Yeah I'm a dictator of the free world

I'm a killer I'm a digger in the Arctic lands
Who cares about the weather
When you're as rich as I am?
I'm making waves, and Jesus saves,
Well people say I'm crazy
Well I say, wow oh oh oh,
I'm gonna send your ass to Guantanamo
No-one is quite as rich as me

I'm a dik, I'm a dik I'm a diktator
I'm a dik, I'm a dik I'm a diktator
I'm a dik, I'm a dik I'm a diktator of the free world
Diktator of the free world
Diktator of the free world
Yeah I'm a dictator of the free world

Let's pray,
God is with us, on our side,
Who cares if coloured people die?
Well I'm so good,
At making friends,
I tell you now,
This is the end!

Yeah I'm a diktator of the free world
Yeah I'm a diktator of the free world
