

# Kula Shaker, Smart Dogs

Dancing in you're shadow  
I was riding through a different state of mind  
No-one can perceive the state I'm in  
it's like the living world is blind  
It's a feeling like no other  
Spending easter with you're mother  
darling it's a freaky roller coaster ride  
Well if you know the feeling baby peel me of the ceiling baby  
Did you know planet earth was blue  
turning blue, Don't you try to talk to me  
I'm a space man sitting in the sky  
I'm a sleeping sweetly honey  
let the sleeping pretty smart dogs lie  
let 'em fly  
Wait until tomorrow  
see the summer sun upon the ocean sky  
Look at the creator  
see the master of magicians fantisise  
It's a feeling like no other  
Spending easter with you're mother  
darling it's a freaky roller coaster ride  
Well if you know the feeling baby peel me of the ceiling baby  
Did you know planet earth was blue  
turning blue, Don't you try to talk to me  
I'm a space man sitting in the sky  
I'm a sleeping sweetly honey  
let the sleeping pretty smart dogs lie  
let 'em fly
