

# Kult, Children know better

They've never heard about the politics nature  
Social security and social pressure  
Total indoctrination, prisons and war  
Some of You say there will be knowing more in future  
Go, go, go, go - into the future go, go!  
Into the future go!  
But now they know the love is a love  
Crying is a crying and love is a love  
Who is the mother and who is the father  
And how is to play with each other  
So black is black and white is white  
Day is a day and a night is a night  
And all the things, it doesn't matter  
In fact children know better!  
And all the children love to play with the toys  
The boys with the cars, the girls with the dolls  
Nature is simple like in heaven stars  
In fact more wisdom one hundred times  
And all the children love to play with the toys  
The boys with the cars, the girls with the dolls  
Nature is simple like in heaven stars  
In fact more wisdom one hundred times  
So black is black and white is white  
Day is a day and a night is a night  
And all the things, it doesn't matter  
In fact children know better!  
Cause black is black and white is white  
Day is a day and a night is a night  
All the things, it doesn't matter  
In fact children know better!  
I tell you with the thrill of another children again  
There will be, be no things to the understand  
All the things, I tell you, doesn't matter  
In fact, I tell you, the children know better  
Cause they never heard about the politics nature  
Social security and social pressure  
Total indoctrination, prisons and war  
Some of you say there will be knowing more  
I say, I can't believe in that  
Look at that  
So I can't believe in that  
I can't believe in that  
Look at that  
So I can't believe in that  
Said, said, and all the children love to play with the toys  
The boys with their cars, the girls with the dolls  
Nature is simple like in heaven stars  
In fact more wisdom one hundred times  
So I can't believe in that  
Look at that  
So I can't believe in that  
Said, said, I can't believe in that  
Look at that  
So I can't believe in that  
Oh, black is black and white is white  
Day is a day and a night is a night  
And all the things, it doesn't matter  
In fact children know better!  
Cause black is black and white is white  
Day is a day and a night is a night  
And all the things, it doesn't matter  
In fact children know better!
