Kungs, I FEEL SO BAD (ft. Ephemerals)

I feel so bad
That I might have led you wrong
But when I met you
I was so in love
I didn't think that I could be strong
But but
Things just started slipping
Thought they'd go back to how they were
Should've been honest sooner
Before things got so much worse

You made us change
Way back when we were fine
Way back when I,
I love you
You couldn't tame your mind
I love you for who you were
Not for that girl That you thought
You could be
Now I can't believe
This here's happening to me

Oh, tryin'a bring me closer
But you're not pushing me away
Baby I won't love you any better
If you continue to make us change
