

Kungs, People (feat. The Knocks)

Woah, darlin', what you doin'?
And why you lookin' so sad?
I know I never met you
I'd never treat you like that
Ooh-ooh-ooh
Ooh-ooh-ooh
There are million different colors
No different than the other
Ooh-ooh-ooh
Ooh-ooh-ooh
I wonder if they wonder like me
I could spend my whole life
All day, all night
Watchin' the people
Watchin' the people go by
Early mornin' sunrise
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
Woah, darlin', what you doin'?
And why you lookin' so sad?
I know I never met you
I'd never treat you like that
Ooh-ooh-ooh
Ooh-ooh-ooh
There are million different colors
No different than the other
Ooh-ooh-ooh
Ooh-ooh-ooh
I wonder if they wonder like me
I could spend my whole life
All day, all night
Watchin' the people
Watchin' the people go by
Early mornin' sunrise
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
I could spend my whole life
All day, all night
Watchin' the people
Watchin' the people go by, by, by...
I just spend my whole life
All day, all night
Watchin' the people
Watchin' the people go by
Early mornin' sunrise
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
Watchin' the people
Watchin' the people go by
