

# Kurt Carr, They Didn't Know

(Choir)

Jerusalem on a dusty road  
An innocent man condemned to death  
Bore a cross on his shoulders  
they didn't know  
Down the via dolorosa  
He staggered in agony  
As he looked upon the hatred  
In the eyes of his own seed  
They didn't know

(Lead)

They didn't know  
He was enduring this for them  
So they could live forever more  
In paradise with him  
They didn't know one day they'd sing his praise  
With fear and trembling  
They didn't recognize the king that kings called king

(Choir)

He didn't have to die for me  
He could have just set himself free  
He could have come down from the cross at Calvary

(Lead)

But instead He was wounded for our transgressions  
and He was bruised for our iniquity

(Choir)

And by his stripes we are healed  
oh what an awesome price He paid for me  
They hung him high  
And stretched him wide  
They nailed his hands and feet  
And pierced him in the side  
They didn't know  
Look at my savior hanging there  
Suffering, bleeding, dying for me and you  
Oh Jesus never said a mumbling word but father they know not what they do  
And He bowed his head, hung his head and He died (2x)  
My Jesus bowed his head hung his head and He died(2x)  
But on the third day  
On the third day (2x)  
Jesus rose  
He rose (3x)  
Jesus rose  
Victoriously  
Triumphantly  
With authority  
He rose  
Rose (2x)  
He rose
