

Kurt Vile, Pretty Pimpin

I woke up this morning, didn't recognize the man in the mirror,

Who's this stupid clown blocking the bathroom sink,
But he was sporting all my clothes?

All I want is to just have fun
Live my life like a son of a gun,

I could be 1,000 miles away
And still mean what I say.

I could be 1,000 miles away
And I still stay in front of your face
