## Kurt Vile, Pretty Pimpin

I woke up this morning, didn't recognize the man in the mirror,

Who's this stupid clown blocking the bathroom sink, But he was sporting all my clothes?

All I want is to just have fun Live my life like a son of a gun,

I could be 1,000 miles away And still mean what I say.

I could be 1,000 miles away And I still stay in fornt of your face
