

# Kurt Vile, Tom Petty's Gone (But Tell Him I Asked

Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright

Tom Petty's gone  
And I'm long gone, and  
How am I gonna make amends  
With myself for never gettin' to talk to him? Mmm  
What's the world comin' to, and  
What happened to you, and  
How am I gonna make-? It's comin' apart at the seams  
It seems

Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright

Bob Dylan's here  
And what a slippery son of a gun  
If he was ever in my sights  
I'd probably melt down like nuclear reactor  
Yeah, I would  
But what's the world comin' to? And  
I think we better glue it down  
And how am I gonna make amends with a world run by corrupt men?  
All the same, will you tell him I asked for him?  
Asked for him, asked for him, asked for him, asked for him  
Asked for him, asked for him, asked for him, asked for him  
Asked for him, asked for him, asked

Tom Petty's gone  
And I'm long gone, and  
How am I gonna-? It's comin' apart at the seams

Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright  
Ah-ah, alright

To them that chose to leave, like DCB, well  
Really wish he coulda held on a little longer  
If you see him on another dimension  
Will you tell him we all really miss him?  
Maybe they just in the Upside Down  
Either way, it's got me down

The yin and the yang is a-black and a-white  
Seem to always poke a knife in the dark side  
Think they shoulda cut the white one, shoulda cut the white one  
Shoulda cut the white one, shoulda cut the white one  
Shoulda cut the white one, shoulda cut the white one  
Shoulda cut the white one, shoulda cut the white one  
Shoulda cut the white one

My whole head has gone away  
Yeah, just up and spun off of, of its axis  
I may never find a match for it  
And if you see it say, "Hello"  
And if you see him will you tell him I asked for him?  
Asked for him, asked for him, asked for him, asked for him  
Asked for him, asked for him, asked for him, asked for him  
Asked for him, asked for him

Asked for him, asked for him, asked for him  
Yeah

Tell him I asked  
Tell him  
Tell him I
