

# Kurtis Blow, Fallin' Back In Love Again

[Chorus:]

Fallin',fallin',back in love  
I'm back in love again  
I say I'm back,back in love again  
I say I'm back,right back in love again

Suddenly it's happening again  
I'm walking along the seashore  
Building castles in the sand  
And suddenly all my dreams have come true  
And if at all love is the question  
Then girl the answer's you  
I feel I'm fallin'.....

[chorus]

Back in love,I'm back in love again  
I tried to fight as best I can  
It seems to happen every now and then  
I'm falling back in love,I'm back in love again  
So many times love's broke my heart  
But it seems to me it's time to start again

[chorus]

Shadows dancing all across my wall  
I called your name but it was all in vain  
Because it wasn't you at all  
So, I had to find you  
Some way my love some how  
And now my dear since you are here  
Tell me how do you like me now  
That I'm fallin'.....

[chorus]

You and me,for eternity will always be in love  
You and me,for eternity will always be in love  
You know I want you girl,you know I need you baby  
Yes you,you,I need you,you know I want you girl  
You know I need you baby you got me back in love

[chorus]
