

Kygo, I'm in Love (ft. James Vincent McMorrow)

I'm in Love /30x

Not enough
I see you waiting
Your hands are up
Your body is shaking
That's hard look
I know you're faking
I know you lie
I've seen you lying
For 4 months in front of me
And now we're some old enemies
It's cold blooded
Come back to me /2x
