## Kyla La Grange, Cut Your Teeth

Didn't I warn you not to? Didn't I warn you good? Maybe we couldn't help it Maybe we never should

Didn't I say it slowly? Didn't I make it clear? Is it unfair to ask you? Why there's love still here?

You cut your teeth on the lack of answers, singing Come back home and it don't feel the same Well I'll play a word song to a page for you And you never knew my name

Didn't I make it harder? Didn't I leave you that? Was it too much to ask you? Why does you still care?

You cut your teeth on the lack of answers, singing Come back home and it don't feel the same Well I'll play a word song to a page for you And you never knew my name

Come back, baby at times I'll cut you up and never let go Sweet love, play your song Call your mother, say take me home Like your smile, don't say not Another man down if you let them know

You cut your teeth on the lack of answers, singing Come back home and it don't feel the same Well I'll play a word song to a page for you And you never knew my name /2x
