

# Kylie Minogue, Always And Forever

Tears will fall  
It's better to have loved  
Than not at all  
Or so they say

Always and Forever  
I don't regret a single day  
with you

Always and Forever

Tears will fall  
It's better to have loved  
Than not at all  
Or so they say

Always and Forever  
I don't regret a single day  
with you

Always and Forever

Night & Day  
Say goodbye then slowly fade away  
Like lovers do

Always and Forever  
There's a place within my heart I keep for you  
I will keep for you...
