Kylie Minogue, Baby

Look at you
You come in with the same old lies
Think you can win me over
Feels so good
I got you working hard this time
Who's fooling who....ah?
Double check my smile, boy
I'm only playing along
You know tonight, boy
I ain't gonna say....
Baby
Guess you don't mean that much to me
Now I got you off of my mind
No - Baby
Tell you that word is history
Just a big mistake
I won't repeat again - no
Ain't gonna say, ain't gonna say
Baby
Ain't gonna say, ain't gonna say
Ohhh
So, you're back
You've got the look upon your face
Too bad
I know you better
That's Ok
'Cause now I understand your game
I just can't lose
Look in my eyes, boy
You know I'll take you along
Just for the ride, boy
I ain't gonna say......
Baby
Guess you don't mean that much to me
Now I got you off of my mind
No - Baby
Tell you that word is history
Just a big mistake
I won't repeat again - no
Ain't gonna say, ain't gonna say
Baby
Ain't gonna say, ain't gonna say
..got you off my
Ain't gonna say, ain't gonna say
