

# Kylie Minogue, Fine

Standing in heaven  
But don't feel the light  
The brightest colors are the black and white  
You wanna dance but you don't trust your feet  
You know the rhythm but can't feel the beat

The night, the night, the night is full of tears  
You cry, you cry, you cry  
When you feel everything's impossible  
Just know you're gonna be

Fine  
You're gonna be fine  
You don't have to worry  
Don't you turn that from  
Turn your face into the sun, sun, sun

Fine  
You're gonna be fine  
Just don't be a player, right  
Take the calm  
Turn your face into the sun, sun, sun

Turn your face into the sun, sun, sun

Turn your face into the sun, sun, sun

You got it all  
But you don't feel complete  
Even the sweetest things are bittersweet  
You're riding high  
But you just fear the fall  
Don't even recognize yourself at all

The night, the night, the night is full of tears  
You cry, you cry, you cry  
When you feel everything's impossible  
Just know you're gonna be

Fine  
You're gonna be fine  
You don't have to worry  
Don't you turn that from  
Turn your face into the sun, sun, sun

Fine  
You're gonna be fine  
Just don't be a player, right  
Take the calm  
Turn your face into the sun, sun, sun

Turn your face into the sun, sun, sun

Turn your face into the sun, sun, sun
