

Kylie Minogue, Flower

Wrapped in a blanket of hope
Asleep in a bed of dreams
I step into eternity
It's not part of my hand
Not at all
For who knows which way the wind is gonna blow
I am waiting for your gentle whisper

Distant child, my flower
Are you blowing in the breeze
Can you feel me
As I breathe life into you
You are my flower
Somewhere in a desert haze
I know one day you'll amaze me

I have to balance imagining the moment I can be
Looking deep into your eyes
For now a mystery
Not at all
For who knows which way the wind is gonna blow
Are you waiting for a gentle whisper

Distant child, my flower
Are you blowing in the breeze
Can you feel me
As I breathe life into you
You are my flower
Somewhere in a desert haze
I know one day you'll amaze me

Two hearts
In the hands of time
Your life breathes into mine.
I'll be with you forever
I'll give you everything I have
Want you to understand
It's you and I together

Distant child, my flower
Are you blowing in the breeze
Can you feel me
As I breathe life into you
You are my flower
Somewhere in a desert haze
I know one day you'll amaze me

Distant child, my flower
Are you blowing in the breeze
Can you feel me
As I breathe life into you
You are my flower
Somewhere in a desert haze
I know one day you'll amaze me
