

Kylie Minogue, I Feel For You

Flowers grow
They're everywhere you go
I feel, I feel

Rainbow sky
Whenever you are by
I feel, I feel

I feel for you
I can go on and on and on and on
I feel, I feel, I feel
You know I feel for you

Stars appear
The moment you are near
I feel, I feel

I feel for you
I can go on and on and on and on
I feel for you
I can go on and on and on and on
I feel, I feel, I feel
You know I feel for you

Every second of the day (I feel for you)
You know I just can't stay away (I feel for you)
Baby when you're next to me (I feel for you)
That's the way I like to feel (I feel for you)

Color shine
A sunbeam through my mind

I feel for you
I can go on and on and on and on
I feel, I feel, I feel
You know I feel for you
