

# Kylie Minogue, Les Sex

We can call it,  
We can call it,  
We can call it.

Les love, les sex, les lo-oh-oh-oh,  
Les love, les sex, les lo-oh-oh-oh,  
Les love, les sex, les lo-oh-oh-oh (we can call it),  
Les love, les sex (we can call it, call, call it).

When we're in the dark everything is possible (yeah yeah oh),  
So dim the light, slip into something comfortable 'cause you never know.

We can fall to pieces, we can fall in step,  
We can keep on teasing, we can mine the depths (oh),  
We can talk for hours or we can make it up,  
We can call it "fleeting", we can call it.

Les love, les sex, les trust, les touch,  
We can call it "fleeting", we can call it, we can call it,  
Les love, les sex, les hand on les leg,  
We can call it "I don't care," we can call it "love."

Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can call it,  
Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can, we can call it,  
Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can call it,  
Les love (les lo), les sex (les lo),  
We, we can call it "love."

Take two of these and meet me in the shadows (yeah yeah oh).  
If love's a drug we're higher than stilettos but you never know.

We can fall to pieces, we can fall in step,  
We can keep on teasing, we can mine the depths (oh),  
We can talk for hours or we can make it up,  
We can call it "fleeting", we can call it.

Les love, les sex, les trust, les touch,  
We can call it "fleeting", we can call it, we can call it,  
Les love, les sex, les hand on les leg,  
We can call it "I don't care," we can call it "love."

Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can call it,  
Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can, we can call it,  
Les love (les lo), les sex (les lo), les lo-oh-oh-oh,  
We can call it,  
Les love (les lo), les sex (les lo),  
We, we can call it "love."

Don't say "no more," say "yes please."  
We can call it "love."

Les love, les sex, les trust, les touch,  
We can call it "fleeting," we can call it, we can call it,  
Les love, les sex, les hand on les leg,  
We can call it "I don't care," we can call it "love."
