

Kylie Minogue, On A Night Like This

Don't, say, it's like a fantasy
When, you, know this is how it should be

You kiss me, I'm falling
Can you hear me calling
You touch me, I want you
Feels like I've always known you

[Chorus:]
On a night like this
I wanna stay forever, stay forever
On a night like this
Just wanna be together
On a night like this

Now, I'm, getting closer to you
Hold, me, I just can't be without you

You kiss me, I'm falling
It's your name I'm calling
You touch me, I want you
Feels like I've always known you

[Chorus]
Seems I've known you a lifetime
Now it's time to make you mine
On a night like this. . .

[Chorus]
