

# Kylie Minogue, Put Yourself In My Place

I can't take this situation  
It's making me feel so blue  
One moment you walked into my life  
And now  
You're saying that we're through

I hear that you're in love now  
Baby, don't know what to say  
I can't believe that I still feel this way  
I hear that you're in love now  
Baby, don't know what to say  
Let the falling decide  
You won't be mine  
Put yourself in my place

[Chorus:]  
You know something will come around  
You're gonna put yourself  
(Put yourself) in my place  
When your lovers bring you down  
And there no-one else around  
You're gonna put yourself  
(Put yourself) in my place

There's no rhyme or reason  
(Rhyme or reason)  
That keeps me playing along  
(That keeps me playing along)  
I guess, that I'll just keep on believing  
Inside you love will;  
Know right from wrong

I hear that you're in love now  
Baby, don't know what to say  
I can't believe that I still feel this way  
I hear that you're in love now  
Baby, don't know what to say  
Let the falling decide  
You won't be mine  
Put yourself in my place

[Chorus 3x]

In my place (put yourself) in my place  
Oh (put yourself)
