

# Kylie Minogue, Say The Word, I'll Be There

1a: Oh, in the dead of night  
Adrift on the ocean wide  
High on the mountain side  
You can count on me

1b: If you're deep in the jungle boy  
Caught in a winter storm  
Kidnapped by anyone  
I'll set you free

CHORUS: Say the word - I'll be there  
To give you love and care  
There's nothing that I wouldn't do for you  
Say the word - I'll be there

I'll reach you anywhere  
Nothing can keep me away from you

2: If you're lost in the wilderness  
Can't tell the east from west  
Just feeling second best  
I won't let you down  
The night comes around again  
And you're with a friend  
I'll love to the very end  
I'll come around

CHORUS: 1b: CHORUS: CHORUS: (repeat 2 times)
