

Kylie Minogue, Sometimes Samurai

Man of the moment, possibly all time
Sing to me your lullaby-y-y-y
Sometime Samurai

Man of the moment, possibly all time
Sing to me your lullaby-y-y-y
Sometime Samurai
Sometime Samurai
Sometime Samurai
Sometime Samurai (sometime)
Sometime Samurai (sing to me, yeah)

Mmm Mmm my ocean and swimming at high tide
Softly you protect me, tender touch of you
Floating in your shadow
I'm like a leaf up on the water
Cradled by your greatness
Safe now in your arms

Ooo Mmm Mmm in my treetop i'm wearing such a smile
Cooly you caress me
I purr next to you
Longing for nothing but more of this
You are my dreamtime
wisely when you guide me
Lovely in your lights

Mmm i'm feeling just a little dizzy
Do you think i can sit down for a while

Man of the moment, possibly all time
Sing to me your lullaby-y-y-y
Sometime Samurai
