

# Kylie Minogue, Tears

Never would say  
I never needed anyone  
Not now I have knowing  
Of the real love  
And I need to have you  
I could never give it up  
Cause the hurt would be too much

And the feeling I'm feeling  
Is a feeling I like  
It's only when I'm with you  
That I feel all right  
I'm amazed that it's come to this

I love you to tears  
I love you to tears

Falling into you  
I've fallen on my feet  
My world was only turning  
So that we could meet  
And I want you always  
I could never run away  
Working destiny today

And the giving I'm giving  
Is a giving I like  
It's easy when I'm with you  
To give into life  
I'm amazed that it's come to this

I love you to tears  
I love you to tears

Happier than high, this is happening  
So cool to have this salt water on my skin  
It's not a pool of sorrow that I'm harbouring  
These are tears of joy that I'm swimming in

Happier than high, this is happening  
So cool to have this salt water on my skin  
It's not a pool of sorrow that I'm harbouring  
These are tears of joy that I'm swimming in

Happier than high  
I'm happier than high  
I'm happier than high  
I'm happier than high

I love you to tears  
I love you to tears
