

# Labrinth, Let It Be

Put my money where my mouth is  
And I laid my cards  
I'mma go out fightin'  
And leave my scars  
I don't know about tomorrow  
But I know I got heart  
Put my feet right on the margin  
And I just might hit the bottom  
Throw my hands out on the breeze  
And let it be

Baby this is Russian roulette  
And it ain't my gun  
Hallelujah I ain't dead yet  
And I'm still going strong  
I don't know about tomorrow  
But the battle ain't done

They say losers are forgot  
And I just might hit the bottom  
But we all gotta take the leap  
And let it be

Let it be  
Let it be  
Just let it be,  
Just let it be, baby

It's all been said and done  
I've done and said it all  
Hope and pray  
I think it's time to catch that train  
I don't know where it starts  
And I don't know where it ends  
I guess that's the name of the game, no

Got to let it go  
Yeah, I got to let it go  
Let it be  
No, no, let it be

Cmon, cmon  
Let it be, baby

When you're holding on your last breath  
When you're looking for a way out  
Woh let it be
