

# Labrinth & Zendaya, I'm Tired (utwór z serialu HB

Hey Lord, You know I'm tired  
Hey Lord, You know I'm tired  
Hey Lord, You know I'm tired of tears  
Hey Lord, just cut me loose

Hey Lord, You know I'm fighting  
Hey Lord, You know I'm fighting  
I'm sure this world is done with me  
Hey Lord, You know it's true

Now the tide is rolling in  
I don't wanna win  
Let it take me, let it take me  
I'll be on my way  
How long can I stay?  
In the place that can't contain me

Hey Lord, You know I'm tired  
Hey Lord, You know I'm tired

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh

Hey Lord, You know I'm trying  
Hey Lord, You know I'm trying  
It's all I got, is this enough?  
Hey Lord, I wanna stay  
Hey Lord, You know I'm fighting  
Hey Lord, You know I'll find it  
I don't know when or how today  
Hey Lord, I'm on my way
