

# Lacuna Coil, Distant Sun

We've never been apart  
The day has come  
I'm feeling that your sun  
Shines away from me

Tease me  
Holding my hands you smile again  
I couldn't see you away from me  
I do realize it now

Living in me  
You are living in me  
You are living in me

I feel you by my side  
Your living soul wants to run away with me  
Inside of me

And now  
Will something happen to me?  
How did I lose my guide?  
You left me all alone

But now it's too late  
I know it's natural but now  
What can I do without your presence here?  
A never-ending pain

Living in me  
You are living in me

I feel you by my side  
Your living soul wants to run away with me  
Inside of me

I feel you by my side  
And I'm sure that I can't forget you  
You are inside of me

You are inside of me
