

# Lacuna Coil, Swamped

With your tongue, do you feel me? (x4)

Destiny flying high above  
All I know is that you can realize  
Destiny who cares as it turns around  
And I know that it descends down on me

Just another day  
The shame is gone  
Hard to believe  
Don't let it go

Destiny can't replace my life  
Scary shadows of my past are alive  
Destiny who cares as it turns around  
And I know that it descends with a smile

Just another day  
The shame is gone  
It's hard to believe  
Don't let it go away

It's just a melody  
It bleeds in me  
Hard to believe  
Don't let it go

With your tongue, do you feel me? (x4)

Just another day  
The shame is gone  
It's hard to believe  
Don't let it go away

It's just a melody  
It bleeds in me  
Hard to believe  
Don't let it go
