

Lacuna Coil, Trip The Darkness

What a day
I can barely keep my eyes wide open
I don't wanna see straight
What a day
Feels like my breath is heavy again
And I'm totally faded

Come to me
Come to me
I am waiting for you
Come to me
I can't wait

Follow me, follow me
As I trip the darkness
One more time
Follow me, follow me
I awake from madness
Just in time

What a day
Seconds, minutes and hours spill over

There's no time here in space
What a day
I see beauty in everything
But the world is still fading away

What a day
I can barely keep my eyes wide open
I don't wanna see straight
What a day
Seconds, minutes and hours spill over
There's no time here in space

Come to me come to me
Come to me come to me
Come to me come to me
I am waiting for you
