

# Lacuna Coil, Trip The Darkness

What a day  
I can barely keep my eyes wide open  
I don't wanna see straight  
What a day  
Feels like my breath is heavy again  
And I'm totally faded

Come to me  
Come to me  
I am waiting for you  
Come to me  
I can't wait

Follow me, follow me  
As I trip the darkness  
One more time  
Follow me, follow me  
I awake from madness  
Just in time

What a day  
Seconds, minutes and hours spill over

There's no time here in space  
What a day  
I see beauty in everything  
But the world is still fading away

What a day  
I can barely keep my eyes wide open  
I don't wanna see straight  
What a day  
Seconds, minutes and hours spill over  
There's no time here in space

Come to me come to me  
Come to me come to me  
Come to me come to me  
I am waiting for you
