Lacuna Coil, Trip The Darkness

What a day I can barely keep my eyes wide open I don't wanna see straight What a day Feels like my breath is heavy again And I'm totally faded

Come to me Come to me I am waiting for you Come to me I can't wait

Follow me, follow me As I trip the darkness One more time Follow me, follow me I awake from madness Just in time

What a day Seconds, minutes and hours spill over Find More lyrics at There's no time here in space What a day I see beauty in everything But the world is still fading away

What a day I can barely keep my eyes wide open I don't wanna see straight What a day Seconds, minutes and hours spill over There's no time here in space

Come to me I am waiting for you
