

Lacuna Coil, Wide Awake

The rebel inside
A mind of my own
I haven't felt right
Since the moment that I gave up.
I challenge my limits
I'm feeling I'm becoming meaningless
I take it all in
And inhale.
I'm wide awake
Open my eyes
And the sky's so blue
All of the sudden
I know that I treasure my life
I find myself
Wide awake
Like you...
The struggle within
Now I understand
Freedom begins
When you get out of the cage
You've built.
It looks like I'm crazy
But I'm not the only one
To believe in myself
Believe in myself
I won't be coming undone
Cause I feel like...
I'm wide awake
Open my eyes
And the sky's so blue
All of the sudden
I know that I treasure my life
I find myself
Wide awake
Like you...
I'm wide awake
I open my eyes
And the sky's so blue
All of the sudden
I know that I treasure my life
All of the sudden
I know that I treasure my life
Like you...
