

Lady GaGa, Always Remember Us This Way

that Arizona sky burning in your eyes
you look at me and
babe I wanna catch on fire
it's burning in my soul
like California gold
you found the light in me that ui couldn't find

so when I;m all choked ip
but I can't find the words
every time we say goodbye
baby, it hurts
when the sun goes down
and the band won't play
I'll always remember us this way:

lovers on the night
poets trying to write
we don't know how to rhyme
ut, damn, we try
but all I really know
you're where I wanna go
the part of me that's you will never die

so when I;m all choked ip
but I can't find the words
every time we say goodbye
baby, it hurts
when the sun goes down
and the band won't play
I'll always remember us this way:

I don't wanna be just a memory

so when I;m all choked ip
but I can't find the words
every time we say goodbye
baby, it hurts
when the sun goes down
and the band won't play
I'll always remember us this way

when you look at me
and the whole world fades
I'll always remember us this way
