

Lady GaGa, Aura (Machete Kills)

I'm not a wandering slave, I am a woman of choice
My veil is protection for the gorgeousness of my face
You all pity me cause, we raise women to love!
But in the bedroom the size of him is more than enough!

Do you wanna see me naked, lover?
Do you wanna peak underneath the covers?
Do you wanna see the girl who lives behind the aura?
Behind the aura
Do you wanna touch me cosmic lover?
Do you wanna peak underneath the covers?
Do you wanna see the girl who lives behind the aura?
Behind the aura
Behind the aura
Behind the aura

Enigma popstar is fun, she wears burqa for fashion
It's not a statement as much as just a move of passion
I may not walk on your street, Or shoot a gun on your soil
I hear your screaming is it because of pleasure or toil
Dance, sex, art, pop
Dance, sex, art, pop
Do you wanna see me naked, lover?
Do you wanna peak underneath the covers?
Do you wanna see the girl who lives behind the aura?
Behind the aura
Do you wanna touch me cosmic lover?
Do you wanna peak underneath the covers?
Do you wanna see the girl who lives behind the aura?
Behind the aura
Behind the curtain
Behind the burqa
