

Lady GaGa, Babylon

We only have the weekend
You can serve it to me
Ancien-city style
We can party liek B.C.
Whit a pretty 17th century smile

It's a thing
Taht you bring
That you bring /2x
Him, you and me
That's gossip

Strut it out
Walk a mile
Serve it, ancien-city style
Talk it out
Babble on
Battle for your smile, Babylon
That's gossip what you on?
Money don't talk
Rip that song
Gossip, babble on
Battle for your smile, Babylon

Babylon, Babylon
Gossip, Gossip
Gossip Gossip
Babylon, Babylon
