

Lady GaGa, Do What U Want (ft. Christina Aguilera)

Uhh, uh uhh
Ye-yeah
Uhh, uh uhh
Oh

I feel good, I walk alone
But then I trip over myself and I fall
I, I stand up and then I'm okay
But then you print some shit that makes me wanna scream

So do what you want
What you want with my body
Do what you want
Don't stop, let's party

Do what you want
What you want with my body
Do what you want
What you want with my body

Write what you want, say what you want about me
If you're wondering know that I'm not sorry
Do what you want, what you want with my body
What you want with my body

You can't have my heart and
You won't use my mind but
Do what you want with my body
Do what you want with my body

You can't stop my voice cuz
You don't own my life but
Do what you want with my body
Do what you want with my body

My bones hurt from all the shows hmm
But I don't feel the pain cuz I'm a pro
I, I sink in and then I'm okay
Cuz my body belongs to you when I'm on sta-a-a-a-age

So do what you want
What you want with my body
Do what you want
Don't stop, let's party

Do what you want
What you want with my body
Do what you want
What you want with my body

Write what you want, say what you want about me
If you're wondering know that I'm not sorry
Do what you want, what you want with my body
What you want with my body

You can't have my heart and
You won't use my mind but
Do what you want with my body
Do what you want with my body

You can't stop my voice cuz
You don't own my life but
Do what you want with my body
Do what you want with my body

Sometimes I'm scared I suppose
If you ever let me go
I would fall apart (apart)
If you break my heart
So just take my body
And don't stop the party

Yeah

You can't have my heart (help me now) and
You won't use my mind but
Do what you want with my body (do what you want)
Do what you want with my body (do what you want)

You can't stop my voice cuz (my voice)
You don't own my life but
Do what you want with my body (do what you want me)
Do what you want with my body

Do what you want me
What you want Lady Gaga
What you want LendenXtina
Oh, do what you want with my body

Do what you want me
Do what you want with my body
Do what you want me
Do what you want with my body world

Help me now
Do what you want with my body world
