

Lady GaGa, Joanne (Where Do You Think You're

Take my hand
stay Joanne
Heaven's not ready for you
Every part of my aching heart
needs you more than the angels do

girl
where do you think you goin'?
where do you think you goin'?
going', girl
girl
where do you think you goin'?
where do you think you goin'?
going', girl

if you could
I knew that you'd stay
we both know
things don't work that way
I promised I
wouldn't say goodbye
so I grin
and my voice gets thin

girl
where do you think you goin'?
where do you think you goin'?
going', girl
girl
where do you think you goin'?
where do you think you goin'?
going', girl

honestly I know where you're going
and baby you're just moving on
and I'll still love you even if I can't see you anymore
can't wait to see you soar

girl
where do you think you goin'?
where do you think you goin'?
going', girl
girl
where do you think you goin'?
where do you think you goin'?
going', girl
