

Lady GaGa, Million Reasons

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show
You're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

If I had a highway I would run through the hills
If you can fund the driveway I forever be still
You're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

I get down to pray
To try to make the worst thing look better
Word show me the way to cut through all this warning letters
I got a 100 million reasons to walk away
But baby I just need good one to stay!

It's soak in the cycle
It's like you can't stop breathing
Completely ...
You're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

And you say something that ever are not mean
It's hard to be ... it partition believe
You're giving me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons

I get down to pray
To try to make the worst thing look better
Word show me the way to cut through all this warning letters
I got a 100 million reasons to walk away
But baby I just need good one to stay!

Baby I been thet,
Can you give me what I needed?
Every heartbreake makes the hard to keep the faith
But baby I just need good one
But baby I just need good one
But baby I just need good one
But baby I just need good one

I get down to pray
To try to make the worst thing look better
Word show me the way to cut through all this warning letters
I got a 100 million reasons to walk away
But baby I just need good one to stay!

Tell me that you be that good one
But baby I just need good one to stay!
