

Lady Pank, Minus Zero

Ula models for top magazines
See her smile in her pink limousine
Queen of lipstick, shampoo and suncreams,
She's the fun of every man's dreams
She thinks she's ooh-la-la,
But she's just la-de-da
Minus zero, minus zero, minus zero, minus zero
Flies to Rio when Rio is sunny
Never sweats, 'cause she stands in the shade
She's a honey, and brings in the money
Works for pleasure, but always gets paid
She oozes sex appeal,
But she just isn't real
Minus zero, minus zero, minus zero, minus zero
Ula models for top magazines
See her smile in her pink limousine
Queen of lipstick, shampoo and suncreams,
She's the fun of every man's dreams
She thinks she's ooh-la-la,
But she's just la-de-da
Minus zero, minus zero, minus zero, minus zero
Minus zero, minus zero, minus zero, minus zero
