Lagoona, Be My Friend

When I look into your eyes, you make me realize that you only wanna be, a friend of mine.
When I look up at the sky I only see the birds that fly so high, away to a magic place.

I just don't want to see you cry and I don't want to see you sad. I just don't want to see you leave me, Not after all the fun we've had. We could be the very best of friends. I hope this never ends.
