

Lamb, Lullaby

Always and forever
We'll be free
Always and forever
Be with me
We'll have love a'plenty
We'll have joys outnumbered
We'll share perfect moments
You and me
Always and forever
You will see
Always and forever
Just be with me
We'll have love a'plenty
We'll have joys outnumbered
We'll share perfect moments
You and me
You and me
You and me
