

Lana Del Rey, Blue Banisters

There's a picture on the wall
Of me on a John Deere
Jenny headed me a beer
Said: How , the hell, did you get there?
Oh, Oklahoma, mhh

There were flowers that were dry
Sittin' on the dresser
She asked me where they from
I said" A place i don't remember
Oh, Oklahoma, mhh

--

Singel 'Blue Banisters' promuje album Lana Del Rey 'Rock Candy Sweet'.
