

Lana Del Rey, Cherry

[Verse 1]

Darling (Yeah), I said real love is like feelin' no fear
When you're standin' in the face of danger (Hey)
'Cause you just want it so much
A touch (Yeah) from your real love
Is like heaven takin' the place of somethin' evil (Hey)
And lettin' it burn off from the rush, yeah, yeah (Fuck)

[Chorus]

Darlin', darlin', darlin'
I fall to pieces when I'm with you
I fall to pieces
My cherries (Hey) and wine, rosemary and thyme
And all of my peaches are ruined

[Verse 2]

Love (Yeah), is it real love?
It's like smilin' when the firin' squad's against ya (Hey)
And you just stay lined up, yeah (Fuck)

[Chorus]

Darlin', darlin', darlin'
I fall to pieces when I'm with you
I fall to pieces (Bitch)
My cherries (Hey) and wine, rosemary and thyme
And all of my peaches (Can I get a fuckin' hallelujah?)
Are ruined (Bitch) (Lookin' at me like a magazine)

[Bridge]

My rose garden dreams (Can I get a fuckin' hallelujah?)
Set on fire by fiends (Sippin' on ya like a Coca-Cola)
And all my black beaches (Can I get a fuckin' hallelujah?)
Are ruined (Lookin' at me like a magazine)
My celluloid scenes (Can I get a fuckin' hallelujah?)
Are torn at the seams (Sippin' on ya like a Coca-Cola, yeah)
And I fall to pieces (Bitch)
(Yeah) I fall to pieces when I'm with you

[Outro]

(Why?) 'Cause I love you so much (Hey)
I fall to pieces
My cherries and wine, rosemary and thyme (Yeah)
And all of my peaches are ruined (Bitch)
Are ruined (Bitch), are ruined (Fuck)
