

# Lana Del Rey, Cruel World

Shared my body and my mind with you  
That's all over now  
Did what I had to do  
Cause you're so far past me now  
Shared my body and my life with you  
That's way over now  
There's not more I can do  
You're so famous now

Got your bible, got your gun  
And you like to party and have fun  
And I like my candy and your women  
I'm finally happy now that you're gone

Got my little red party dress on  
Everybody knows that I'm amazing  
I'm crazy  
Get a little bit of Bourbon in 'ya  
Get a little bit suburban  
And go crazy  
Because you're young, you're wild, you're free  
You're dancing circles around me  
You're fucking crazy  
You're crazy for me

I shared my body and my mind with you  
That's all over now  
Did what I had to do  
I found another, anyhow  
Shared my body and my mind with you  
That's all over now  
I did what I had to do  
I could see you leaving now

I got your bible and your gun  
And you love to party and have fun  
And I love your women and all of your heroin  
And I'm so happy now that you're gone

Got my little red party dress on  
Everybody knows that I'm amazing  
I'm crazy  
Get a little bit of Bourbon in 'ya  
Get a little bit suburban  
And go crazy  
Because you're young, you're wild, you're free  
You're dancing circles around me  
You're fucking crazy  
You're crazy for me

Got your bible and your gun  
You like your women and you like fun  
I like my candy and your heroin  
And I'm so happy, so happy now you're gone

Got my little red party dress on  
Everybody knows that I'm amazing  
I'm crazy  
Get a little bit of Bourbon in 'ya  
Get a little bit suburban  
And go crazy  
Because you're young, you're wild, you're free  
You're dancing circles around me  
You're fucking crazy

You're crazy for me

You're crazy for me
